Bachelor of Arts from Southern Utah University; Masters in Education from Utah State

Spent 18 years in the classroom and 14 years in school administration

Retired member of the Utah National Guard

dwillden@scinternet.net

I have lived in Beaver County all my life. My wife Bonnie and I have raised our seven children here and have been blessed with 20 grandchildren. One of the highlights in my life has been my experience as your County Commissioner these last four years. During my term I provided leadership to increase assessed valuation in the county by being part of the process of bringing alternative energy companies such as First Wind and Razer into our county. I have truly enjoyed working with the community and other county leaders, both local and nationwide. I currently serve on the National Association of Counties Environmental Energy and Land Use Steering Committee and on the Utah Association of Counties Strategic and Long Range Planning Committee. I have served as Chair of the County Commission since being elected to the office.

I have a strong commitment to the people of Beaver County and look forward to serving another four years as your representative.
